DISABILITY AND SPECIAL NEEDS POLICY

“All members must:

- **Respect the rights, dignity and worth of all and treat everyone equitably.” Club Code of Conduct**

Our Club firmly believes and advocates that everyone has the opportunity to participate in Gaelic games irrespective of his or her ability. We are dedicated and openly encourage people with disability or special needs in our local community to join and actively participate in club activities.

We aim to create an equitable sporting environment for all our members and we pride ourselves in access to our facilities and quality coaches in a safe environment. Our facilities comprising of clubrooms, changing room pavilion and facilities are accessible for our members with special needs or disability. Our Changing rooms contain a toilet for Disabled.

The Club are fully aware of the Disability Discrimination Act and totally committed to providing disabled people the same rights to sports facilities and services.

We are proud to have a proportion of players and members with special needs or disability who are pro active in playing or administering club affairs.
